Eligibility:

- All advisors are eligible and encouraged to participate.
- Applications must be submitted online at <http://www.skillsusaoregon.org/state-leadership-and-skills-conference>.

Chapter Excellence Program

CEP recognizes achievement as it relates to the integration of the SkillsUSA Framework in chapter program of work activities. As a chapter's yearly action plan, the program of work is at the heart of student learning and employability development. By using the Framework as a guide, chapters have a blueprint for creating relevant activities that encourage participation and foster an understanding of student learning attained during each activity. The Framework's focus on intentional learning turns the program of work into more than just a planning tool. Using the Framework, the program of work becomes the vital conduit that links students to the application of personal, workplace, and technical skills demanded by industry. The SkillsUSA trifecta for student success!

More information and the application can be found here:

<https://www.skillsusa.org/programs/chapter-excellence-program/>

CEP Chapters will be recognized at SLSC.
