# STATE OFFICER CANDIDATE GUIDE

## 2020-21 State Officer Candidate Guide

---

SkillsUSA Oregon Chapter Advisors,

The SkillsUSA Oregon State Officer Program provides tremendous opportunities for students to gain new leadership skills, learn critical thinking, improve their planning and organization skills, become stronger speakers, demonstrate initiative, and much more. In short, it is a unique and valuable experience that we are excited to share with your students.

Along with the considerable benefits that come with being a state officer there are important responsibilities that officers take on, and we need your help to ensure that students who plan to run for state office are aware of these responsibilities; and, if elected, both you and they will ensure that those responsibilities are fulfilled.

As an advisor with a candidate and (if elected) a state officer the expectation is that you will:

- Assist your candidate with completing all required aspects of the State Officer candidate application and review their campaign speech and campaign materials.
- Make a personal commitment to cooperate with the State Advisor and State Officer Coach to ensure that your state officer fulfills all of their state officer responsibilities.
- Serve as an ongoing mentor to your state officer.
- Arrange additional time to work with your state officer.
- Review with your state officer the state officer team Program of Work and Accountability Chart to ensure that they are on track and up to date on all assignments.
- Edit and review materials and communication before officers submit and distribute them.
- Provide your officer with workspace supplies, telephone access, email access, and any necessary financial support.
- Assist with the ongoing training of all officers.

By signing the forms included in this packet you are making a commitment to your candidate/state officer and SkillsUSA Oregon. Training and directing our state officers is a team effort and it is essential that the officer's advisor is a part of that team.

Thank you for encouraging your student to step forward and seek a state officer position with SkillsUSA Oregon.

Sincerely,

A handwritten signature in black ink that reads "Kaycie Quinonez".

Kaycie Quinonez  
State Director

### **IS RUNNING FOR SkillsUSA Oregon STATE OFFICE RIGHT FOR ME?**

We are excited that you are considering running for a SkillsUSA Oregon State Office. The opportunities provided to state officers are tremendous and many of our state officer alumni count their time as an officer as a pivotal experience in their life. Along with the opportunities and benefits of being an officer comes many important responsibilities. Be sure that you carefully consider your decision to run for state office and what it requires.

The average state officer will spend one to three hours a week working on their state officer assignments and responsibilities. Prior to state officer meetings, conferences, and SkillsUSA events, the amount of time required tends to spike as officers finalize preparations and polish up assignments. It is important to realize that although academics remain the number one priority, you will not be able to fall behind in your responsibilities as a SkillsUSA officer. You will be required to participate in the team decision-making process, perform your assigned tasks, and attend all required conferences and events. It is important that you have access to the Internet either at home, school or at a library to complete assignments.

It is important to understand that if you are elected you will be required to attend conferences, officer meetings, and SkillsUSA events throughout the year. You will not be allowed to leave early, come late, or miss any parts of these events (except in the case of an extreme emergency). We have frequently had officers who had to miss out on big games, dances, trips, etc., because they conflicted with their state officer responsibilities. The expectation is that your state officer responsibilities and commitments will take priority after your academics.

Please carefully review the documents and information in this packet to be sure that you fully understand what will be expected/required of you as a state officer if you are elected.

If you are willing to make this kind of commitment and are the type of person that has the drive to succeed and the encouragement and dedication to get the job done, a SkillsUSA office is definitely for you! If you are unsure, you may want to speak with your advisor to see if running for a state officer position is right for you. If you decide to run for office, be assured that holding state office will be one of the most memorable experiences of your life, and one of the most effective career preparation experiences you could ever have while in high school.

✓	ITEMS TO DISCUSS AND REVIEW WITH YOUR STATE OFFICER CANDIDATE
	Have a frank conversation with the state officer candidate to ensure that they understand the commitments required of state officers. Be sure that they understand that at times they will have to miss out on sporting events or other personal activities in order to fulfill their state officer responsibilities. Officers must recognize that SkillsUSA conferences and events come before other social functions, including athletics and dances.
	Ensure that state officer candidates understand that being a state officer is a privilege and will require their very best effort. If elected the candidate will be required to devote several hours each week to their state officer responsibilities and will not be allowed to fall behind on state officer duties and responsibilities.
	Talk to the candidate about their involvement in other activities like sports, clubs, work, etc. Be sure that they have fully calculated the time commitment and are prepared to make SkillsUSA a priority if they are elected.
	Set up a plan for the officer to keep the advisor regularly updated about their projects, upcoming responsibilities, and duties of office.
	Discuss and create a time management plan for when and how the officer will complete their SkillsUSA work each day. Officers should plan to spend about 30 minutes a day (sometimes more) on SkillsUSA work.
	Ensure the officer has access to internet on a daily basis either at home or through the school. Officers will need access to Gmail for official state officer communications.
	Carefully review this packet with the candidate and be familiar with the rules and guidelines for state officer candidates.
	Ensure that all forms from this packet have been completed.
	Be sure that the candidate understands that while being a SkillsUSA State Officer is an invaluable experience and will be a great accomplishment to highlight on their resume and college applications, that being a state officer should be about their passion for SkillsUSA and desire to be a part of making SkillsUSA Oregon great. This is a real commitment that will require time, effort, initiative, and commitment throughout their term of office.
