

## Automotive Maintenance & Light Repair

State Championships 2021

### Review Technical Standards

This contest will follow the “Standards and Competencies” outlined within the SkillsUSA Technical Standards (virtual). Review the contest’s technical standards prior to competing.

### Set Up Contest Space and Materials

You will need to have a camera to record your presentation. You may have another person record for you, but they may not assist in any of the skill demonstrations.

The final skill demonstrations and interview questions will be posted at 3 p.m. on Thursday, and all of your competition components will need to be complete by 3 p.m. on Friday.

### Contest Overview

Contest Elements will include:

- Upload of Professional Resume
- SkillsUSA Knowledge Test
- Automotive Maintenance & Light Repair Knowledge Test
- Job Interview Scenario (skill based questions)
- Recorded demonstration of vehicle inspection

### Overview of Contest Specific Elements

Automotive Maintenance & Light Repair Online Test:

- Questions will be based on the national technical standards
- Test will need to be completed in one sitting and will have a one hour time limit

Job Interview Scenario:

- The job interview questions will be posted at 3 p.m. on Thursday
- Questions will include narrative about your qualifications and background
- Questions will include 1-2 scenarios asking you to thoroughly explain the process of an automotive maintenance & light repair process that may be related to your skill demonstration

Skill Demonstration:

- You will be required to perform a vehicle inspection. The inspection checklist will be published at 3 p.m. on Thursday and your submission will be due at 3 p.m. on Friday.
- The vehicle inspection is designed to be completed on a personal or family vehicle.
- Vehicle inspection elements will be based on items in the technical standards for this event

### Submit Contest Submission

Submit the following:

- Job Interview video file
- Contest video file
- Complete SkillsUSA Knowledge Test
