

Career Pathways Showcase

State Championships 2021

Review Technical Standards

Team of 3 — This contest will follow the “Standards and Competencies” outlined within the SkillsUSA Technical Standards (virtual). Review the contest’s technical standards prior to competing.

Complete Professional Development Test

There will be a written test based on Career Essentials Foundations and the SkillsUSA Leadership Handbook. You will be required to take the exam, and the scores will be added to the total overall score. The number of points allowed will not exceed 5 percent of the total possible points.

Set Up Contest Space and Materials

The presentation must be filmed in a virtual environment (i.e. ZOOM, Teams, or Google Hangout). Actual visual aids may be used, or photographs may be shared via screen sharing.

Complete the Contest Submission

Your team will use your course of study as the basis of a project that will benefit your class, school, community or industry. Your project must highlight an aspect of your career cluster training. Upon completion of the project, your team will develop a display and use it within your community to explain your training and project. This contest will judge mastery of training, its application, the project’s benefit to the community, and display and presentation techniques.

Project Requirements

All displays must be self-contained. Each team must be able to maneuver the project into the contest area. Because of virtual presentations, photos may be used in lieu of using the actual showcase display.

Contest Presentation Video

Your team will record a presentation/demonstration that is at least four minutes but does not exceed eight minutes in length. Your team’s project will be judged according to its own merits and compliance with the listed criteria in the SkillsUSA Technical Standards (virtual). Your team should read the guidelines carefully and make sure the project presentation covers all the criteria.

Contest Submission

Submit the following:

- Contest video of presentation
- One-page typed resume for each team member.
