

Carpentry
State Championships 2021

Review Technical Standards

This contest will follow the “Standards and Competencies” outlined within the SkillsUSA Technical Standards (virtual). Review the contest’s technical standards prior to competing. There will be no demonstration component at the 2021 SLSC.

Contest Overview

The contest will be composed of two elements.

Element 1: Online Test – the test will be carpentry questions based on SkillsUSA Technical Standards.

Element 2: Evaluate carpentry activity. Members will watch a full length video of something being built (the something you will find out when the video is posted). It will be your responsibility to write an essay (maximum 1,000 words) based on your observations of the building process. Key elements to observe will include (but is not limited to):

- Safety procedures followed
- Proper angles and cuts
- Proper techniques
- Following the pre-planned design
- Possible errors
- Notation of work that is exceptional, notation of work that has opportunity for improvement
- Other general observations you have about the project you observed

Submit Contest Submission

Submit the following:

- Complete the SkillsUSA knowledge test
- One-page typed resume
- Carpentry Test
- Essay
